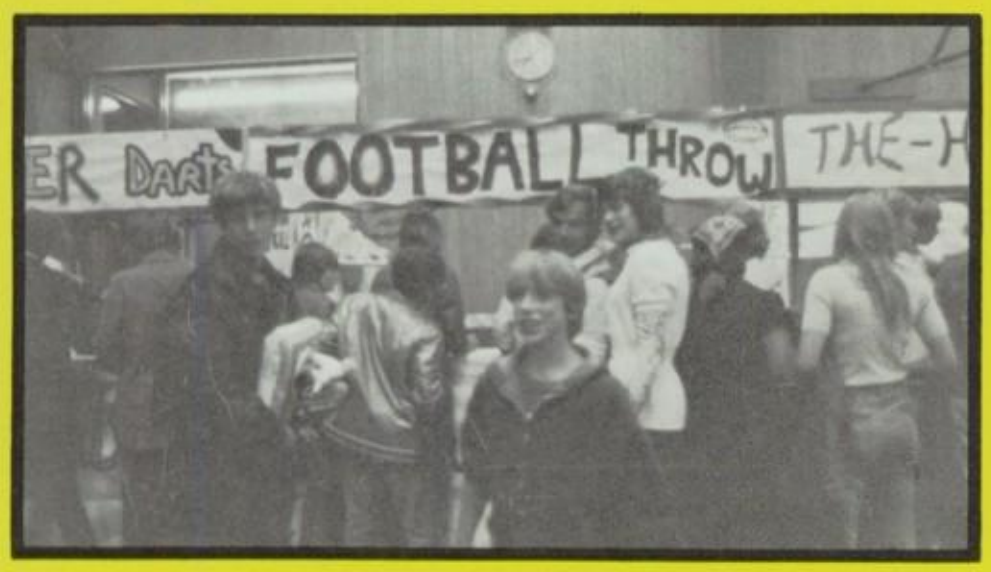
Exasperating!



And the Crowning!

The annual fall Carnival proved to be everything it ever has been, and more. As usual all the efforts of 99% of the students went into the makings of the gala happening. Though there were a few less booths this year, the Kiddie Karnival, which was a new addition, seemed to fill the empty spots easily. Every year the money intake is always increased from the last year, and this year, C.H.S. topped the scale with over 3000 dollars!

Of course, all of this could not have happened without all the extra help C.H.S. received from the community.

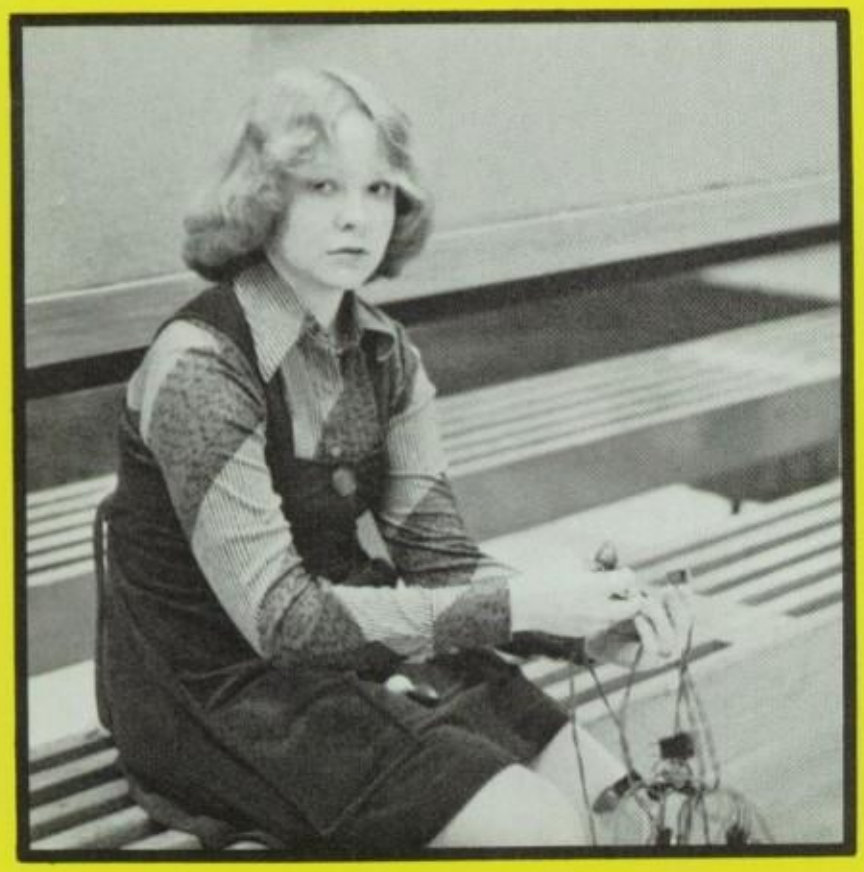
S Club

S Club members are those girls who donate their time and efforts in service to the school and the community. There were 28 members of S Club this year, all of whom gave of themselves to serve the community and school.

The annual Sadie Hawkins day and dance sponsored by S Club was held in November again this year. The money raised from the dance, and other S Club activities, was used to buy Christmas presents for the residents of a local nursing home and to finance several other projects during the year.

Front Row: Denise Barton, Treasurer; Janet Crofoot, Corresponding Secretary; Tammy Stewart, President; Kathy Tennyson, Vice-President; Corie Peterson, Recording Secretary; and Mrs. Carolyn Chester, Advisor. Second Row: Jerene Gorsuch; Germaine Baumann; Johni Johnson; Patti Bresnahan; Sue Anderson; Carla Flugel; Dianna Stratton. Third Row: Kim Manion; Kolette Running, Janis Garner; Jackie Phillis; Loni Fine; Cindy Bell. Back Row: Debbie Seitters; Sheryl Davis; Luane Jensen; Cindy Bingman; Cami Whitten; Karen Sampson; Shelly Carter. Not Pictured: Carole Murphy; Penny Terrill; Lanette Fehr.



S Club members promote Christmas spirit at CHS in many ways, but two of the most important ways were putting up and decorating a huge tree in the cafeteria (with all due thanks going to Mrs. Chester's husband, who got us the tree), and bringing food, clothes, and toys to give to a needy family at Christmas.

In February S Club held a bakery raffle during a home basketball game to give the money to the Stevens County Underwater Search & Rescue so that they could buy a new air compressor.

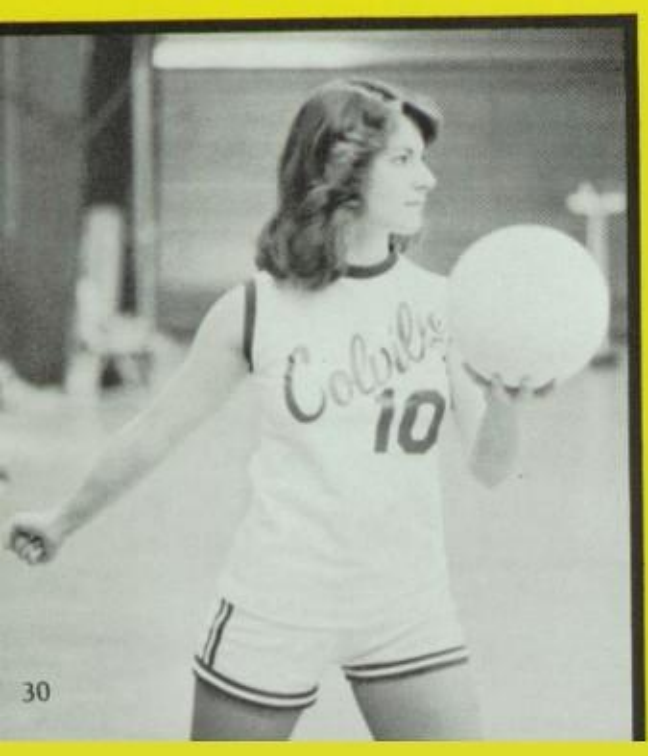
Girls' Volleyball

Coach, Ms. Gunderson. Scorekeeper, Cindy Bell and Manager, Kathy Tennyson.

The members of the 1975-76 Girls' Volleyball team were: (On Top) Linda McCammon; (Second Row) Mary Porubek; Denise Barton, J.V. Captain; Sue Anderson; Tammy Anderson; Tammy Stewart; Debbie Deardorff; Lori Thomas; (Bottom Row) Janis Garner; Suzy Heath; Cindy Schuerman. Those Not Pictured are: Jerene Gorsuch; Kathy Loveall; Janet Crofoot, Varsity Captain; Patty St. Clair; Adena Yarroll; Cindy Stratton.

For a come back season, the Girls' Volleyball teams were great successes. They started again this year with a new coach, Ms. Gunderson. For a first attempt at coaching volleyball, Ms. Gunderson did an exceptional job. The J.V. team had a great season; their record was 6 wins and 1 loss. The Varsity team had 2 wins and 5 losses, but that's not so bad considering the aptness of the teams they played. The games were often close, making many a tense moment for player and spectators alike. The highlight of the season was our second set of matches with Riverside. They were extremely well-played games, even though the end result was a loss. We'll be expecting another great season of volleyball again next year.



National Honor Society

The National Honor Society worked hard this year to bring the achievements of outstanding CHS students to the attention of their classmates, their parents, and their community. Congratulations to all the new members of NHS! Officers are Mick Kohlstedt, president; Cherisse Bastian, vice president; Michele Gibson, secretary.

Pep Club was a big help this year in promoting spirit. The president is Dale Munson; Adena Yarroll, vice president; Genny Minnich, secretary.

GAA sponsored a very successful breakfast for the football players, cross country runners and the cheerleaders before school on Nov. 7. They also take money at all the home basketball games and wrestling matches. On January 22 they hosted a basketball game between the faculty and the KJRB ALL-AMERICAN Basketball team. The money they earned was put toward their general funds. All in all, a very busy, successful year for GAA, and a big thanks to advisor, Mrs. Bennett, for all her time and trouble put into GAA.

Indian Tribune

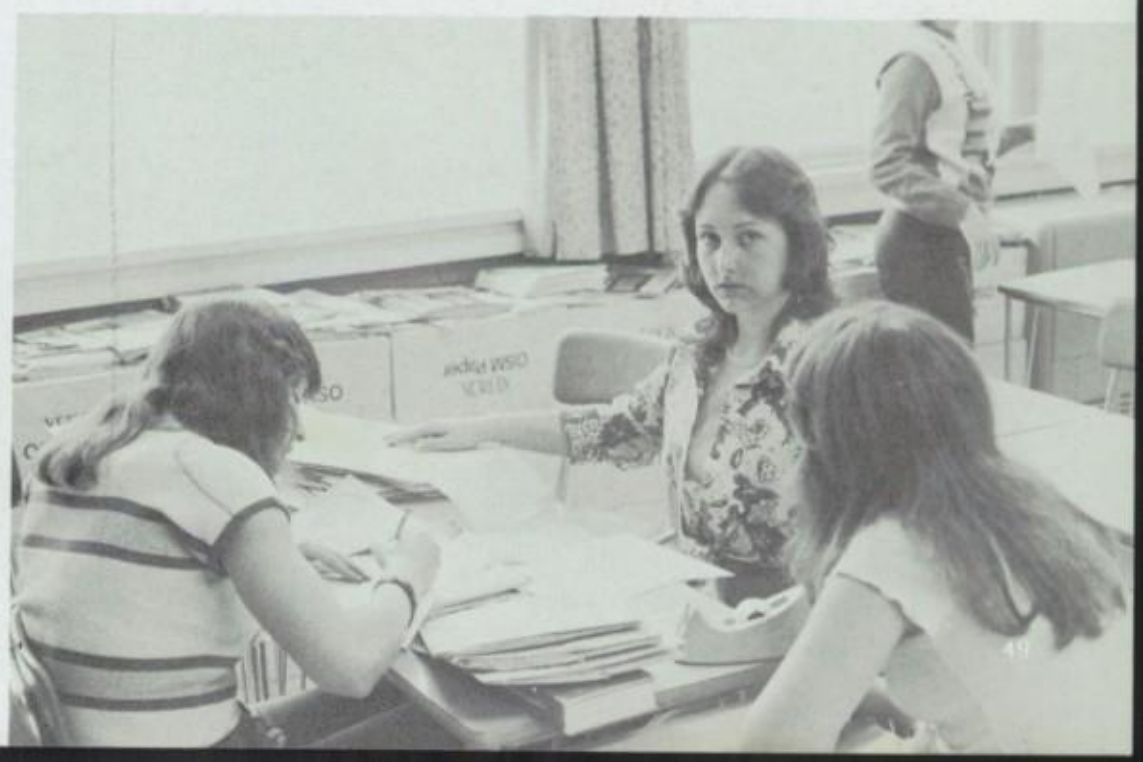
Published by journalism students of Colville High School
Colville, WA 99114 April 1976

Editor . . . . . Patty St. Clair
Assistant Editor . . . . . Pat Monasmith
Staff . . . . . Diane Bestrom, Mary K. Goetter, Ted Lyon, Val Brooks, Sheryl Sells, Kandi Zimmer, Bill Ryan, and Beth Johnston
Contributors . . . . . Basic Journalism
Advisor . . . . . Mrs. McGregor

The Indian Tribune has been with CHS for over 36 years. It's still going as strong as ever. This year the Indian Tribune printed more pictures than in past years, plus the Senior Edition was as great as ever. The advisor is Mrs. McGregor.

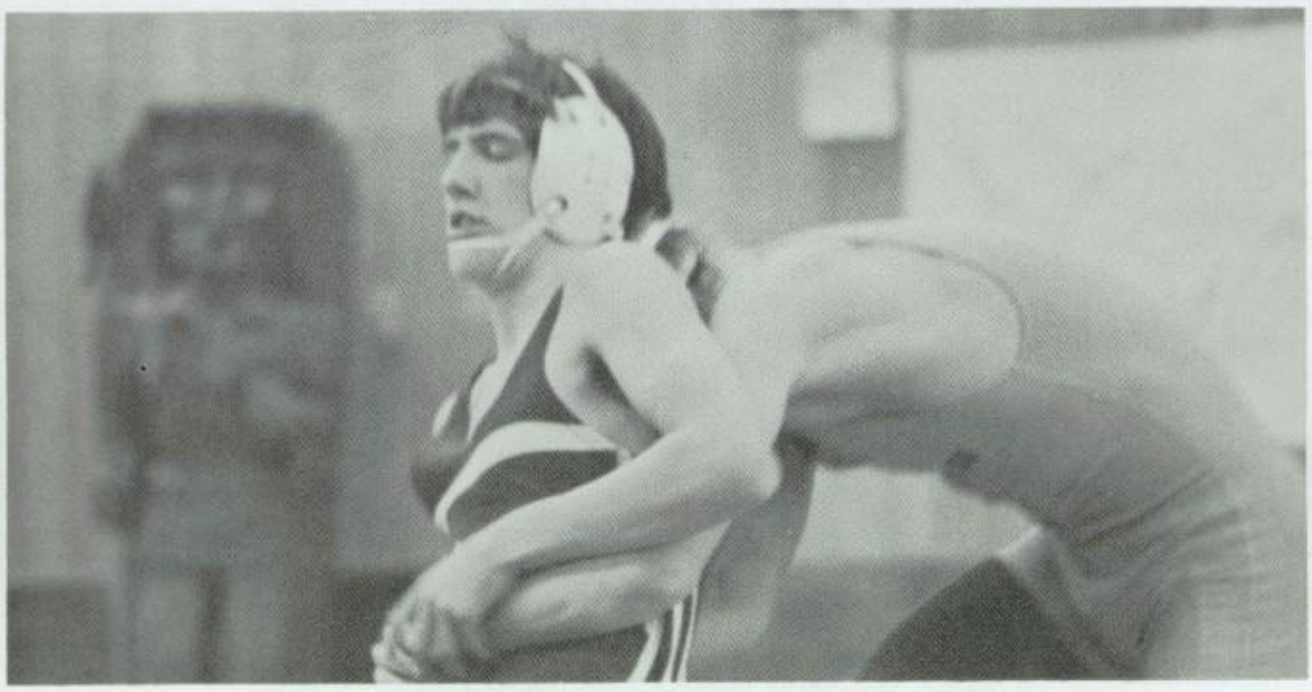
Basic Journalism

This year's Basic Journalism class has been very busy. The class contributed many articles to the Indian Tribune. They also broke up in to small groups and put out their own newspapers. They found how to put a paper together and the problems involved. Some of these students will be on the Indian Tribune Staff next year. The advisor is Mrs. McGregor.

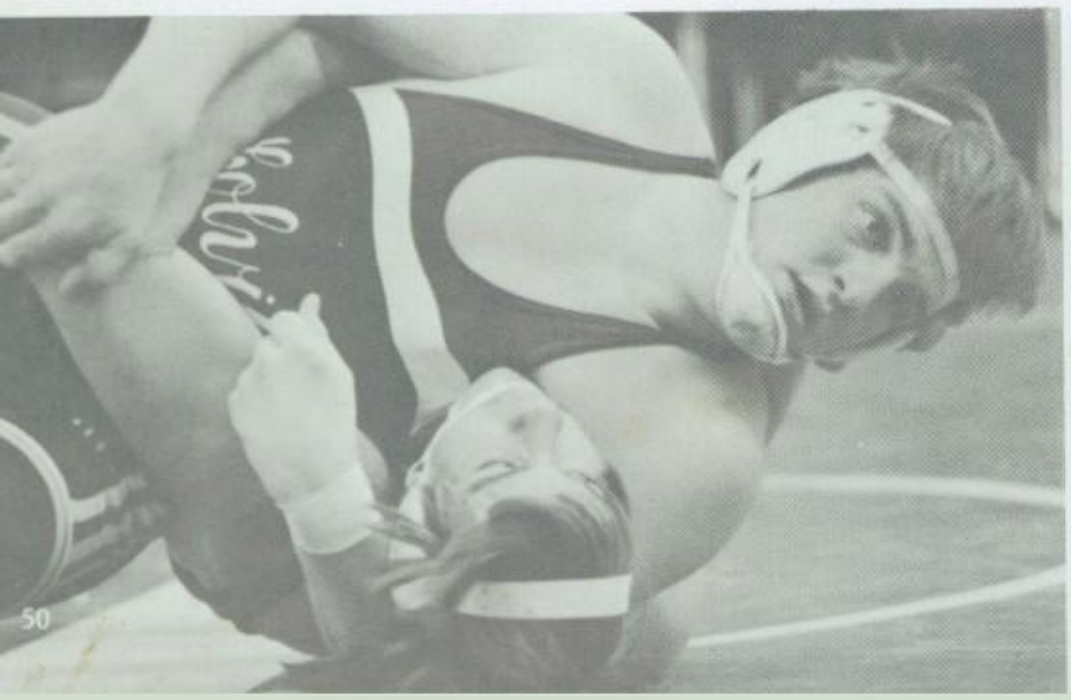


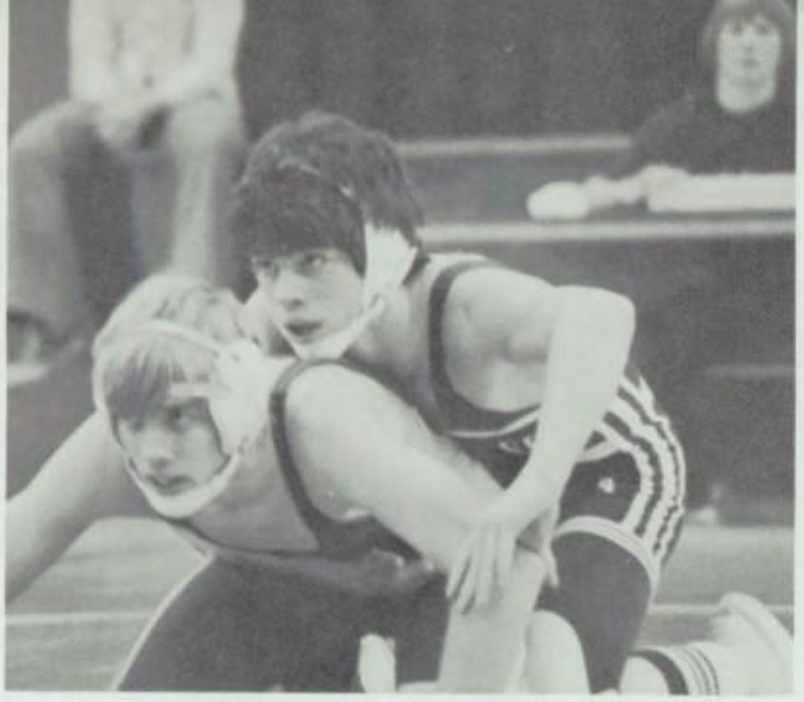
Front Row: Brian Heeney; Brian Fife; Mike O'Brian; Denny Reddinger; Scott Fife; and Ed Bonham. Back Row: Mark Best; Ray Clowser; Chris Hedrick; Gary Clowser; Gary Gotham; Duncan Hurst; Neil Heeney; and Loren Miller, Coach.

Wrestling

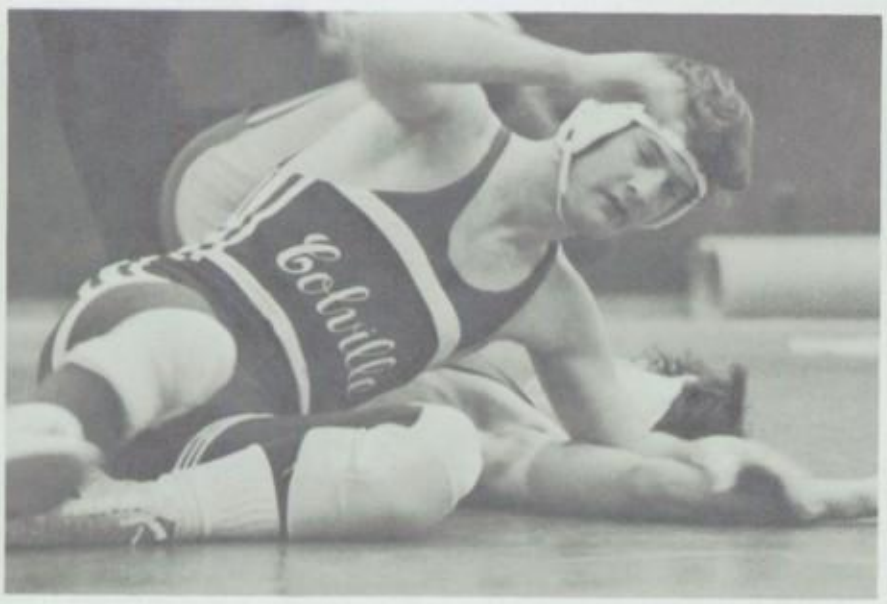


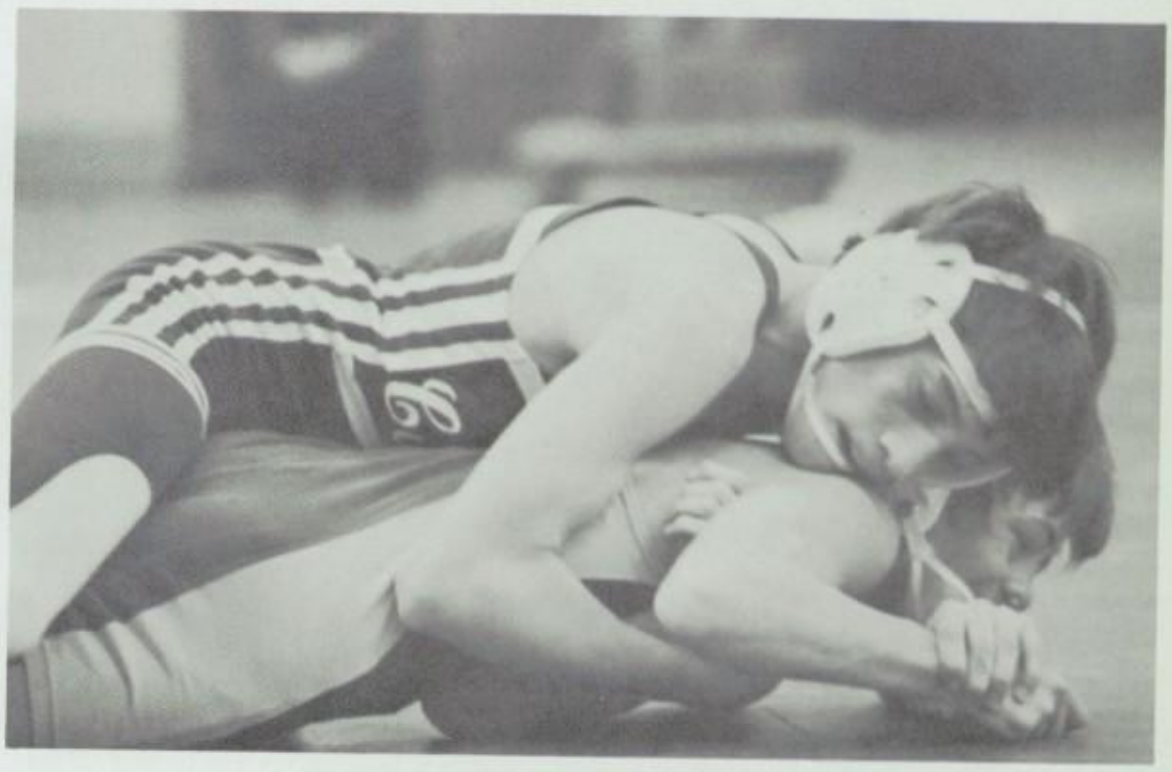
Varsity–Jr. Varsity

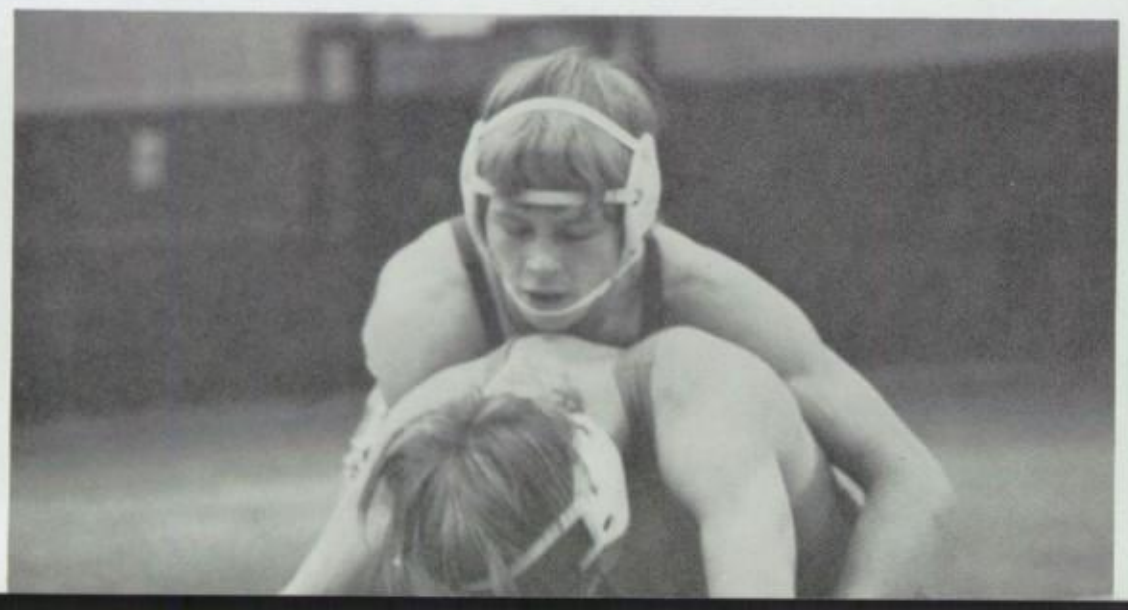


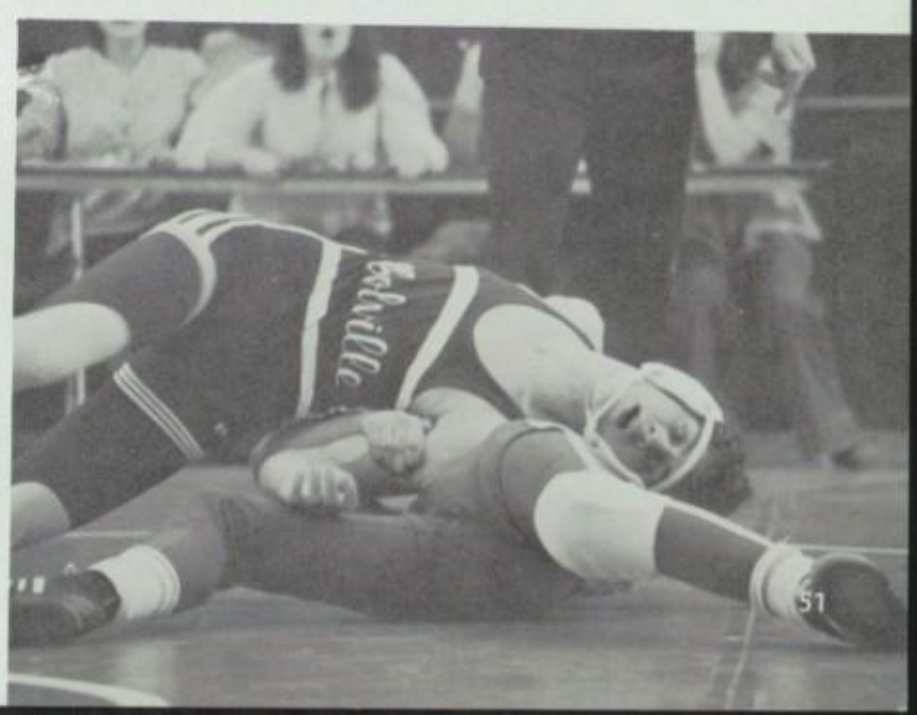


This year the wrestlers did very well in dual matches with a record of 11 wins and only 4 losses. Coach Miller felt that the team did well this year as opposed to last year. In sub-regionals Scott Fife and Ray Clowser placed second, with Gary Clowser placing third. Gary Gotham placed fourth. All of these matmen advanced to regionals with Scott and Ray both placing third. These wrestlers were attending State competition in Sedro Woolley at the time of this writing.







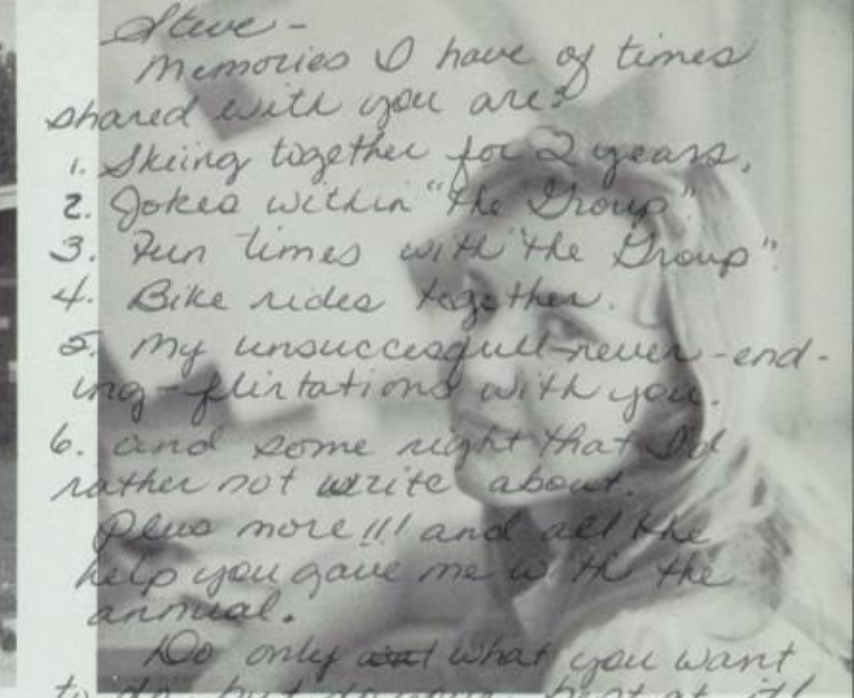


For the Skookum staff, the year got off with its usual beginning with the distribution of annuals from the previous year.

1976 Skookum Staff

In the series of pictures along the bottom, we see final preparations being made for the Skookum during the last month of school; and, one final, happy note--Cami and Patti, Above Right, have just been found by a search party exploring 107A.

The staff then got down to work--sort of--and Pictured Above Are Randy Coble, Editor Corie Peterson, Diane Connelly, John Rhodes, Kim Manion, and Assistant Editor Cindy Bell. Other staff members Not Pictured: Cami Whitten and Patti Bresnahan (both of whom were lost in the workroom at the time this picture was taken), Carla Wester, Germaine Baumann, Carol Nelson, and Gary Burya.



Steve -

Memories I have of times shared with you are?

1. Skiing together for 2 years.
2. Jokes within "The Group".
3. Fun times with "The Group".
4. Bike rides together.
5. My unsuccessful-never-ending-flirtations with you.
6. and some night that I'd rather not write about.

Plus more !!! and all the help you gave me w. the the annual.

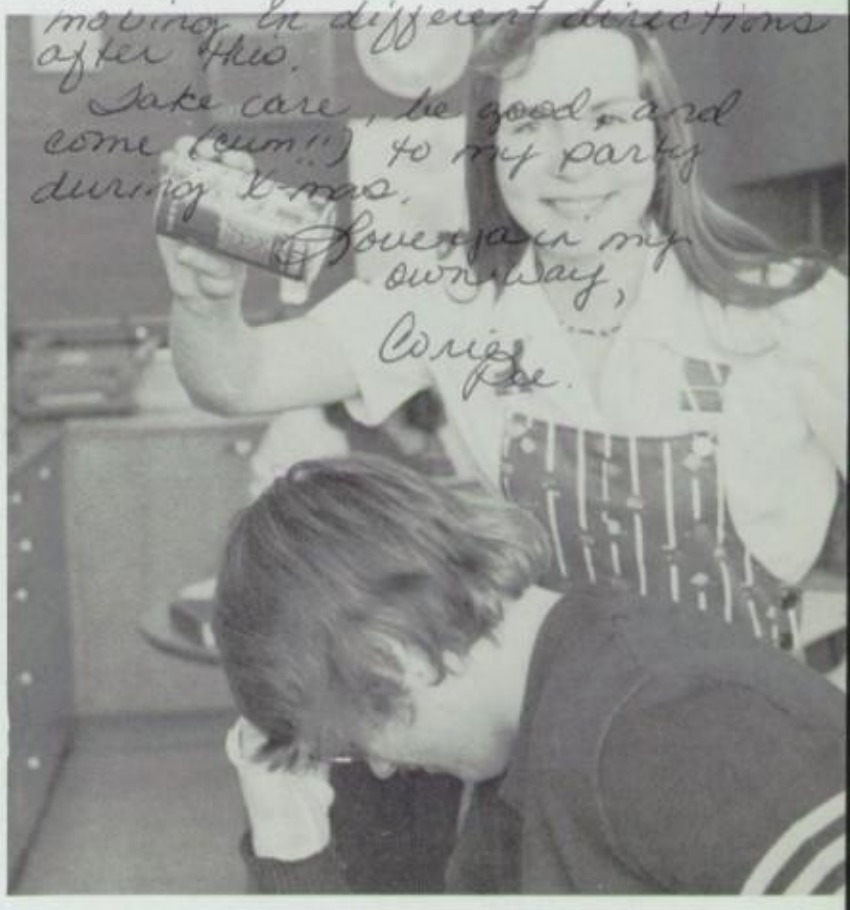
Do only what you want to do, but do your best at it!

And let's not be to far from each other this year at EWSC cuz I think we'll be moving in different directions after this.

Take care, be good, and come (cum!!) to my party during X-mas.

Love you in my own way,

Corie Pe.



Discipline is an important part of any well trained and organized staff--which is why we didn't have any discipline. However, there were times when Editor Corie kept the staff in line with the use of banishment (Upper Left) and, when John made a typing error one time, a little cold liquid to help keep him alert.

Being a stern taskmaker has its disadvantages as the staff will tend to take advantage of any lapse by the Editor--such as turning her back on staff members.

Foreign Exchange Students

Though it may seem as though CHS has traveled the world over this past year, in reality the world came to CHS in the form of five foreign exchange students.

Let it not be forgotten that our own Rick Layton spent 9 months in Columbia last summer and fall as an exchange student, and Sherry Busher will be leaving for Columbia this summer right after graduation for her turn as an exchange student.

From the five parts of the world came Alejandro Duncan from Mexico, Takayuki Makise and Yukari Iida from Japan; from France, Olivier Beyer and Olivier Saga. From El Salvador came Esperanza Herrera.

Jr.-Sr. Prom

An Old Fashioned Love Song

The Jr. Sr. Prom was a great success! The theme was "An Old Fashioned Love Song"; the decorations were nostalgic. Refreshments included petit fours and finger sandwiches. The band, AFTER CLASS, played requests, and did a fantastic job. The chaperones for the evening were: Mr. and Mrs. Bill Denholm, Mr. and Mrs. Lee Chester, Mr. and Mrs. Wendell Reddinger, and Mrs. Yella Tennyson. A good time was enjoyed by all.

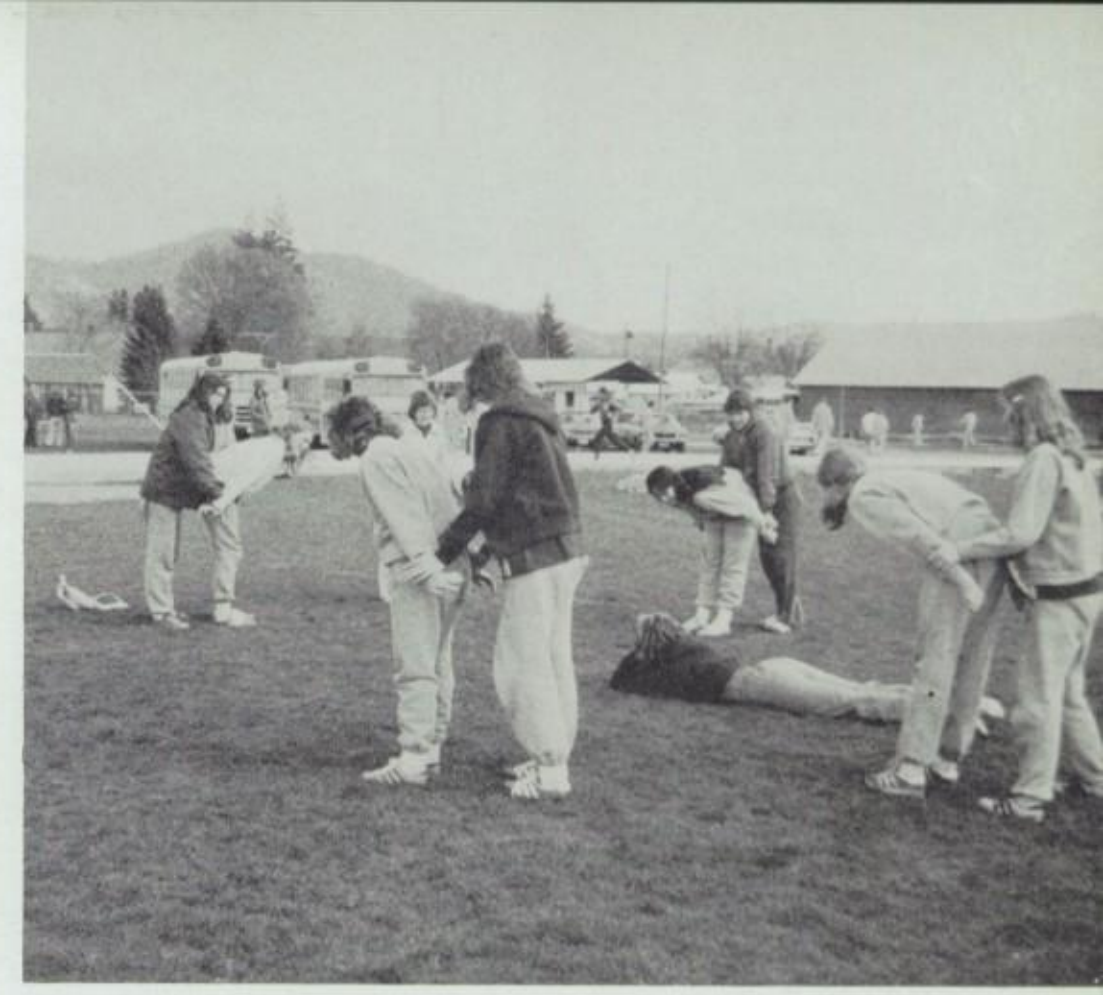
This year's Track Team did two things that had not been done around C.H.S. for awhile. In their second meet of the year at Newport they placed first and they also were able to have a home meet on their new track. The team was a hard-working team, but as they look back we are sure they'll think that it was all worthwhile.



Girls' Track

The 1975-76 girls track team consisted of:

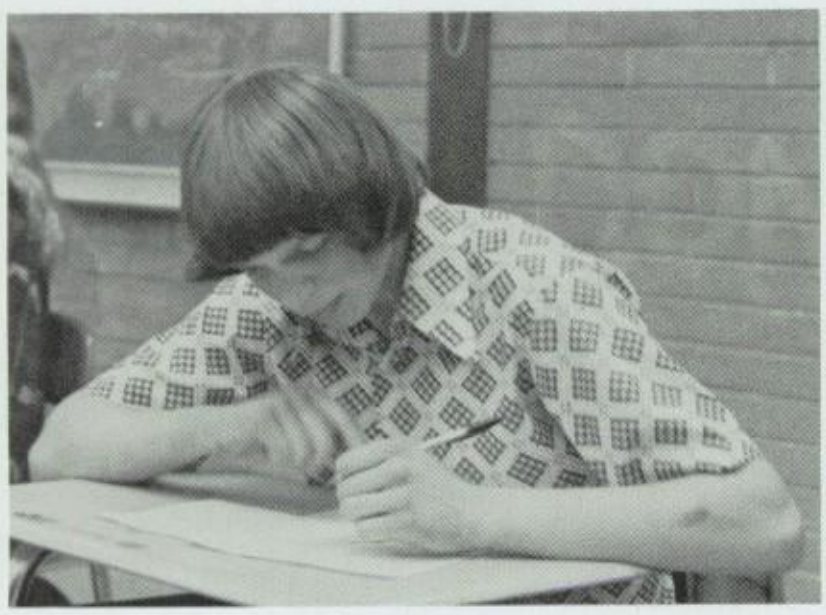
Kathy Best
Lanette Fehr
Teri Goering
Tracy Goering
Patti Heeney
Tracy Jensen
Colleen Kramer
Juanita Johnston
Valerie McKee
Colleen Monette
Bobbi Naff
Kathy Poore
Sherry Poore
Mary Porubek
Sharon Schillberg
Glenda Tucker

The first four track meets of the year for girl's track were held in Deer Park, Northport, and two meets at Chewelah.

The Colville girls placed second in two meets and third in the other two.

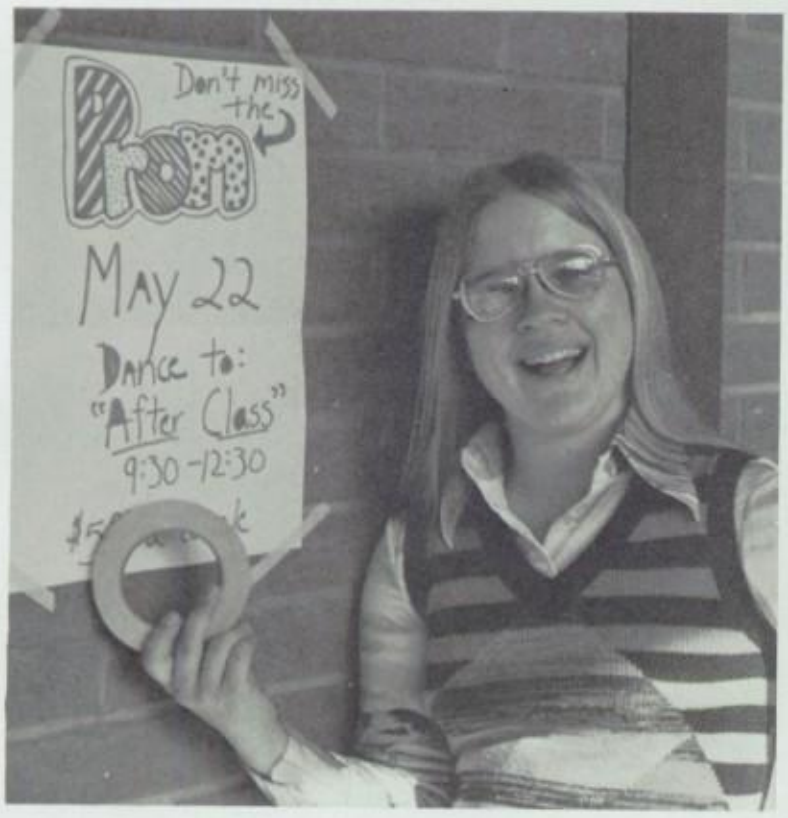
At the Chewelah Invitational they took fifth place out of eleven schools. They placed first at Colville in a four-team meet. The other three schools were Riverside, Selkirk, and Cusick.

The outstanding feature of this year's team was the constant improvement they made from one meet to the next.

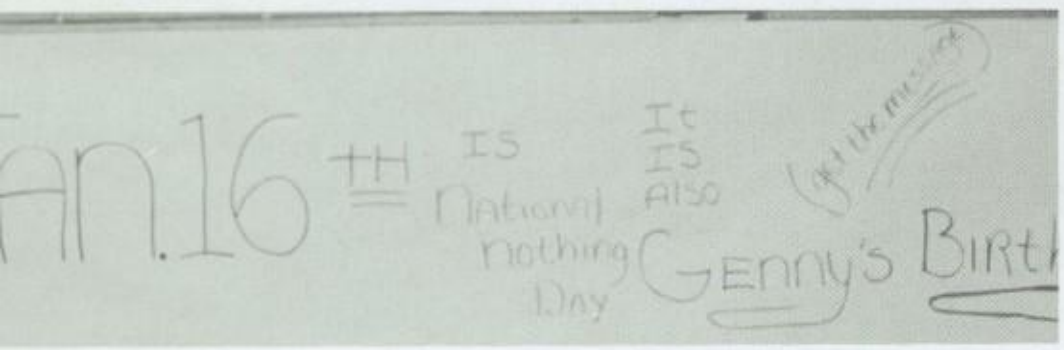


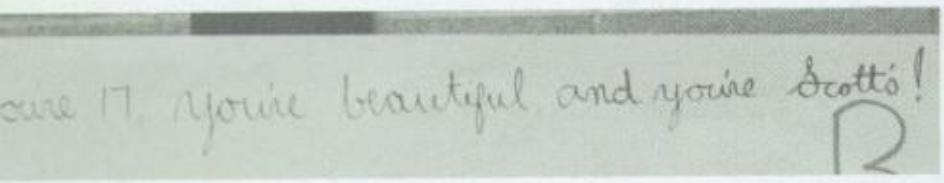
What we do not understand we do not possess.

PHOTOGRAPHS AND MEMORIES

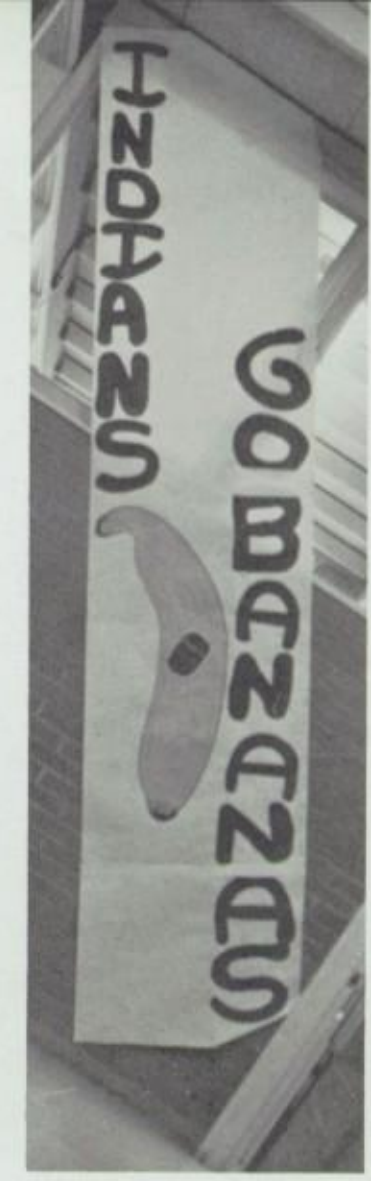


Everyone is least known to himself, and it is very difficult for a man to know himself.





The moment may be temperary, but the memory is forever.



I don't like work - no man does
—but I like what is in work—
the chance to find yourself. Your
own reality— for yourself, not
for others - what no other
man can ever know.

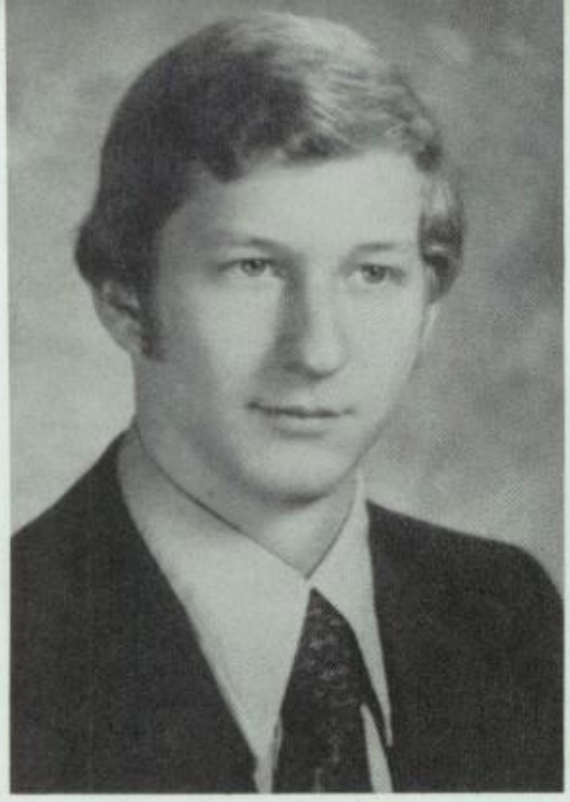
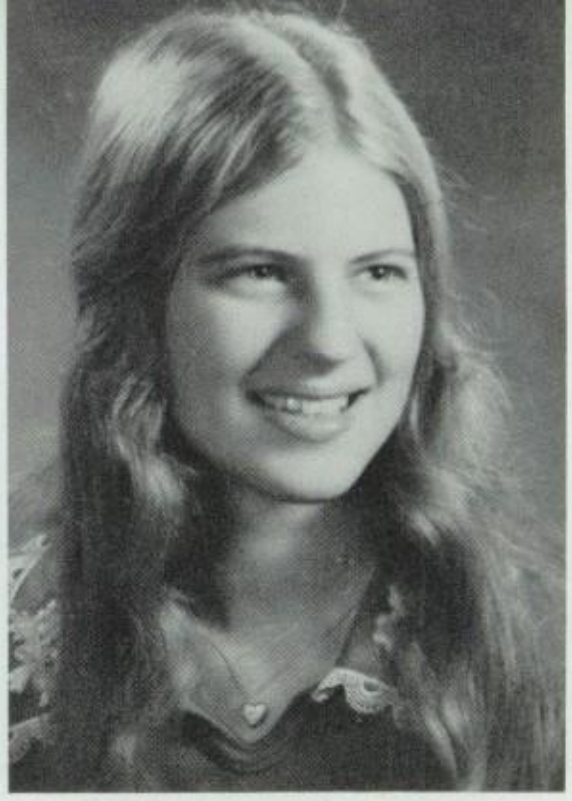
Class of 76 - Honor Students



VALEDICTORIAN



SALUTATORIAN

Craig Thayer, with a gpa of 4.0, was graduated first in a class of 141 students. Craig, a 12-year Colville student, was especially active his senior year including student council, national honor society, senior play, and other activities. Craig was also the recipient of the Faculty Citizenship Award. Future plans include college.

Christy Lotze was a close second behind Craig with a 3.97 gpa. She entered Colville High School as a junior transfer from Northport. Christy was also very active her senior year with national honor society, budget committee, student council and other activities. During her senior year, she was named a Business Education Student of the Month. Future plans are in the field of accounting with training at WSU.

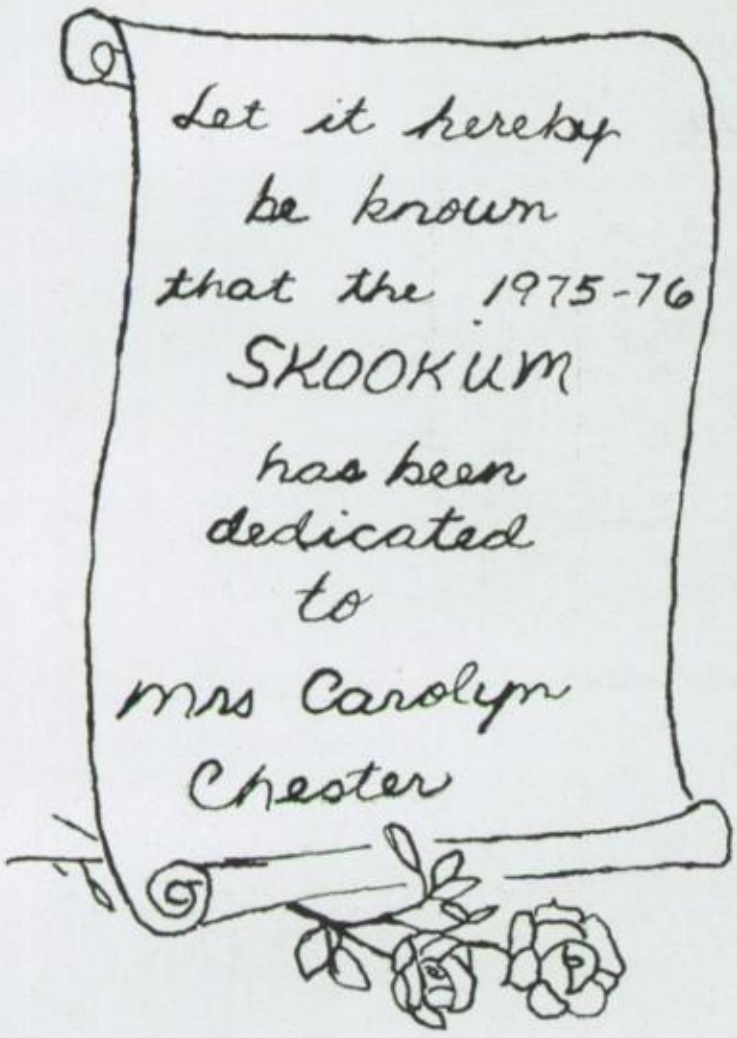
**High Honor--3.50 to 4.00

*Honor--3.00 to 3.49



"People often say to me, 'How do you stand those high school kids all day?' My answer is always something along this line 'I really like teenagers.' This is true and it's the reason I thoroughly enjoy my job. Of course, there are some 'bad apples in the barrel,' but the majority of teens are honest, straight forward, and enthusiastic individuals."

It really shows that Mrs. Carolyn Chester enjoys her job working with students, for not only has she been a teacher at C.H.S. for 13 years and a senior class advisor for 10 years, she has been director of the All High Play for 4 years. Also, she has been head coordinator of the graduation ceremonies, and director of the senior play for 11 years, along with being coordinator of the senior announcement and cap and gown orders. Besides all this, there is a great deal more 'Mrs. C' does to contribute to the school, plus she's the advisor for the girls' S Club.

Let us not forget that, after all these activities, 'Mrs. C' is still a teacher. Not unlike any other teacher, she demands respect from her students just as students can be sure of gaining her respect once they've shown their respect. It's a circular relationship that will usually end up with 'Mrs. C' giving more on her part than the student realizes, but to 'Mrs. C' it's all in her day's work.

One does not need to go into great detail about her teaching qualifications; any student who has given 'Mrs. C' the chance to teach them knows that she certainly can do so. Futhermore, she is always willing to go the "extra step" to help students. Mrs. Chester also won the 1976 Teacher of the Year Award.

That's our 'Mrs. C', and that's why the 1975-76 Skookum has been dedicated to her, because of her dedication for C.H.S.
